I read a note my grandma wrote back in 1922  
My Grandpa kept it in his coat and he showed it once to  
me  
Said son you might not understand  
But a long, long time ago  
Your grandma's daddy didn't like me none  
But I love your grandma so

We had this crazy plan to meet  
And run away together  
Get married in the first town we came to and live  
forever  
Nailed to the tree where we were supposed to meet  
instead  
I found this letter  
And this is what it said

If you get there before I do  
Don't give up on me  
I'll meet you when my chores are through  
I don't know how long I'll be  
But I'm not gonna let you down  
Darling wait and see  
So between now and then til I see you again  
I'll be loving you, love me

I read those words just hours before my grandma past  
away  
In the door way of a church  
Where me and grandpa stopped to pray  
although I'd never seen him cry in all my 15 years  
as he said these words to her  
His eyes filled up with tears

If you get there before I do  
Don't give up on me  
I'll meet you when my chores are through  
I don't know how long I'll be  
But I'm not gonna let you down  
Darling wait and see  
So between now and then til I see you again  
I'll be loving you, love me

I'll be loving you, love me
