Telephone to glory oh what joy devine
I can feel the current moving down the line
Made by God the Father for his very own
You can talk to Jesus on this Royal Telephone

Central's never busy always on the line
You can hear from heaven almost anytime
It's a royal service built for one and all
When you get in trouble give this Royal line a call

Telephone to glory oh what joy devine
I can feel the current moving down the line
Made by God the Father for his very own
You can talk to Jesus on this Royal Telephone

Music ----

If your line is grounded and connections too
Have a talk with Jesus He'll tell you what to do
Prayer and faith and promise mends a broken wand
Then your Soul is burning with a Pentecostal fire

Telephone to glory all the Georgia vine
I can feel the current moving down the line
Made by God the Father for his very own
You can talk to Jesus on the Royal Telephone

There will be no charges telephone is free
It is good for Service just you and me
There will be no waiting on this Royal line
Telephone to glory always answered just in time

Telephone to Glory oh what joy devine
I can feel the current moving down the line
Made by God the Father for His very own
You can talk to Jesus on the Royal Telephone

Oh you can talk to Jesus on the Royal Telephone
