Well I wrote a story
Got put in the paper
About all the bridges I'd burned
For the last part I lied
But you know it don't matter
Cause I'll print anything that you served

And if I was a shadow
On a long lonely gallow
That hang me and pull off my lip
Cause making up stories was all I could do
And you know that the truth ain't worth shit

That so much has happened
I ran with the union
And the ink never dried with the grass
Well the numbers got plenty
I assure you that many
Had been added by me for a gas

And if I was a shadow
On a long lonely gallow
That hang me and cut off my lip
Cause making up stories was all I could do
And you know that the truth ain't worth shit

My home was the scene

Or a quarrelsome marriage
That flared up whenever i spoke
So i brought her some letters
Washed down in adventure
And my bed would be lonely no more

And if I was a shadow
On a long lonely gallow
That hang me and cut off my lip
Cause making up stories was all I could do
And you know that the truth ain't worth shit

And if I was a shadow
On a long lonely gallow

That hang me and cut off my lip
Cause making up stories was all I could do
And you know that the truth ain't worth shit

And if I was a shadow
On a long lonely gallow
That hang me and cut off my lip
Cause making up stories was all I could do
And you know that the truth ain't worth shit
