While sleeping on my shoulder your lips have softly  
spoke his name  
And with those two arms around me you're still not  
close to me  
Your morning smile reveals that he was with you in your  
dreams  
Why must you let him keep on walking on the edge of  
your mem'ry  
I know you tried but he's still walking on the edge of  
you mem'ry  
Outside you change your image but inside you're still  
his girl  
And to me the sunset means another long night filled  
with mis'ry  
Because I know I hear him walking on the edge of your  
mem'ry  
[ steel ]  
I know you tried...
