I'd be the last one to tell you that you shouldn't go  
And the first to say be happy if you can  
But when you lie and hurt someone who needs and  
loves you so  
Do you mind too much if I don't understand  
I suppose that you're convinced this is the thing to do  
Life is short and sweet break all the hearts you can  
I guess I shouldn't be surprised it's all a game to you  
But do you mind too much if I don't understand  
Forgive me but it all seems so unreal to me  
And my heart and me we'd made so many plans  
But that's all over now there's nothing left to do  
But do you mind too much if I don't understand  
[ piano ]  
Forgive me but it all seems...  
But do you mind too much if I just don't understand
