You're losing interest in me and it's showing it's not a  
big thing but it's growing  
The pain of heartbreak I've just started knowing it's not  
a big thing but it's growing  
Every day the hurt grows bigger than before  
But I'll pretend that I don't notice if I can hold you one  
day more  
You got that look of someone who is going you're  
gonna leave me and it's showing  
A little tear I can feel start to flowing it's not a big thing  
but it's growing  
I've got a heartbreak now and it's showing you're  
gonna leave me and it's showing
