Way out in the country where I used to live Lordy Lordy
what I wouldn't give
To turn back the time and be a boy again and see the
sun come up every morning
A quarter of a mile to the grocery store schoolbus
came within a mile off my door
And here in distance of a cotton gin a thirty minute
walk to Ruby
Oh I'd walk it in the moonlight oh I'd walk it on the dark
night
Rain or shine this heart of mine craved Ruby's company
Oh she could kiss me just right oh but I was a little too
shy
For I got the nerve to make my move Ruby got away
from me
[guitar]
Oh I'd walk it in the moonlight...
