Sunday morning I go to church then again on Sunday
night
Monday morning I go to work home and family Monday
night
Tuesday Wednesday it's the same working for my daily
bread
Thursday Friday then I get my pay Friday night I'm late
to bed
Oh but Saturday is my day to rest get up late no need
to shave
Count the many ways that I've been blessed
Enjoying all the things the good Lord gave
Sunday morning I'm back at church again on Sunday
night
I say a prayer for peace on earth that's the way I live my
life
[dobro]
Oh but Saturday is my day...
Doing what I think is right that's the way I live my life
