Where have you gone my little boy little boy where have
you gone my sonny my own

Turn around you're two turn around then you're four

Turn around you're a young man going out the door

[ac.guitar]

Where have you gone my little girl little girl

Pigtails and petticoats where have you gone

Turn around you're tiny turn around then you're grown

Turn around you're a young wife with babes of your
own

[ac.guitar]

Where have they gone our little ones little ones

Where have they gone our children our own

Turn around and they're young turn around and they're
old

Turn around and they've gone and we've no one to
hold

Turn around and they're young...
