Child don't you cry
Mama won't say goodbye
Just close your eyes
I'll sing you a sweet lullaby

I'm swimming in your soul
So please don't let me go

Why don't you stay
Why don't you stay with me a little longer
A little longer, longer, long..
I know you want to stay
Why don't you stay with me a little longer
A little longer, longer, long..

Sweet melodies,
they're coming for you and me
To pick us up into the skies
and sing you a new lullaby

I'm swimming in your soul
So please don't let me go

Why don't you stay
Why don't you stay with me a little longer
A little longer, longer, long..
I know you want to stay
Why don't you stay with me a little longer
A little longer, longer, long...

A little longer, won't you stay
a little longer...

I'm swimming in your soul
So please don't let me go...go...

Why don't you stay
Why don't you stay with me a little longer
A little longer, longer, long..
I know you want to stay
Why don't you stay with me a little longer
A little longer, longer, long...

A little longer, longer..
A little longer, longer..
Just a little longer, longer..
A little longer, longer..
Just a little longer, longer..
A little longer, longer..
Just a little longer, longer..
Long, long, long...
