Leatherneck'n down the street like "Hey I'm joyrid'n"
Like a bad dog
- come on "Burn in!"
Leatherneck'n down the street like "Hey I'm joyrid'n"
Like a bad dog
- come on "Burn in!"
Demon got my soul and I said "Drive!" Come on -
speed kills - but I'm
alive yeah!
In my Durango 95 Yeah!
Casino on the edge she move like a twister gravity
crank - solo my
sista!
Come on. She said "Take me away!" Away! Away!
Shout!!
I'm deadly on the eyes an astro-spyder, baby!
A powertripp'n - NO - NO - NO - Maybe? Come on!
Angel trumpets again yeah!
Motherfucker scream "horrorshow" time a diamond
ass right on my line!
Come on. She said "Take me away!" Away! Away!
Yeah!!
Bruning like fat in the fire the smell of red, red groove
screamed
mega-flow
A stalking ground without prey. A flash of superstition
whimpering
like a crippled animal.

Dogs of the Soul-Crusher! Pulling closer like the blue
steel jaws of
hell.
Digg'n in my heart I find a human generator. Duke of
N.Y. See Yeah!
Eliminator all you need is love.
Yeah! Like a cool and crazy freak machine she
twanged off and out
like I never seen.
I gonna take her, take her down, down, down watch
out!
Shack'n out in my skin - flesh 'n' waves they begin!
I going out like a holiday [Shout It!]

Then my mind generate a weepy young "D" to
terminate.
Takin' a trip - I said, "Straight to hell" [Shout It!]
Real country dark the street, hog the road - swamp
beat.
She gonna know just what I mean - yeah!
Trip back on the serpent move Z-man slowly bang the
groove.
Takin' a trip - "A real kick" to hell [Shout It!]
Think'n that when she die - spirit go up to the sky!
Devil come a stepp'n brainiac a look'n below - yeah!
[Shout It!]
