Well I've been around the world, I've seen all kinds of girls

But not like the one I met last night

She said boy I really like your style, forgive me if I appear too wild

But I want to mow you down like a freight train

I jumped back, I saw the fire in her eyes

Well I started shaking in my shoes

She said relax babe, you're in good hands

Oh tell me what have you got to lose

Get down n' dirty, lay it on the floor

Shake shake it up babe and shake it up some more

Get down n' dirty, lay it on the floor

Shake shake it up babe and shake it up some more

Back seat she was running hot, she said baby give me all you got

Time for dirty dog to come feed the kitty

We were bumpin' and grindin' all night, hanging on with all my might

Rollin' till the train was running off the tracks

The smoke cleared, I looked into her lovin' eyes

Well I knew my love was on the line

I said girl I'd be a fool to let you go

She said come on boy, stop wastin' time

Get down n' dirty, lay it on the floor

Shake shake it up babe and shake it up some more

Get down n' dirty, lay it on the floor

Shake shake it up babe and shake it up some more

Oh baby, yeah that's it, that's it baby, a little lower, c'mon

Ah, no no no no, not there, yeah, that's it, speed up now, c'mon

I'm goin' down down, down down, I'm goin' down down, down down

I'm goin' down down, oh down down

I'm goin' down, down, down, down, down, down, down

(Solo)

Get down n' dirty, lay it on the floor
Shake shake it up babe and shake it up some more
Get down n' dirty, lay it on the floor
Shake shake it up babe and shake it up some more

Baby, c'mon baby, baby, b-b-b-b-baby
C'mon and shake me, shake me, shake

Get down n' dirty, lay it on the floor
Shake shake it up babe and shake it up some more

Get down n' dirty, lay it on the floor
Shake shake it up babe and shake it up some more
Get down n' dirty, lay it on the floor
Shake shake it up babe and shake it up some more

Get down n' dirty
