Got a good women who cares for me
Whenever I'm in need, shes there for me
Steady as a rock and a comfort to me.
I,m a lucky man.

Got a couple of kids, They,ve turned out alright
They,ve got respect and they treat people right
In these wild times they still come home at night.
I'm a lucky man.

CHORUS

But sometimes I feel life is passin me by,
And nights I cant sleep when I close my eyes
Somtmes I feel like its out of my hands,
theres so many things I don't understand,
But I'm a lucky man, Oh! I'm a lucky man.

Got a good job down at the local mill,
Puts clothes on our backs and it pays some bills,
Come saturday night it buys a few thrills,
I'm a lucky man.

Got a few friends I can call them true,
In a tough situation they always come true,
They dont question these things that I do,
I'm a lucky man.

REPEAT CHORUS

Got a place under the open sky
I know I'm going when it comes the time,
For me to leave this old world behind
I'm a lucky man, Oh! I'm a lucky man
Oh! I'm a lucky man, Oh! I'm a lucky man.
