Well I was waiting for you all nite baby
telling myself what we're doin is crazy
'cuz we both know what we're headed for
your heart belongs to a friend of mine
someone else has got a claim on mine
here we are lying in each others arms tonight
we both know what we're doin is wrong
we cant stop it, we're too far gone

We're out of control
like a runaway train
on a dead-end track
like a runaway train
on a dead-end track
we're only headed one way
theres no turning back
just a matter of time before we crash
out of control
like a runaway train
on a dead-end track

Well it started out as a mild flirtation
and grew into this complicated situation
of tangled lies and weak alibies
you got somewhere else that you should be
theres someone out there waiting for me
but for now theres nowhere else we'd rather be
we both know this affair can't last
we're so caught up we're blinded to the past

We're out of control
like a runaway train
on a dead-end track
like a runaway train
on a dead-end track
we're only headed one way
theres no turning back
just a matter of time before we crash
out of control
like a runaway train
on a dead-end track

Well there's warning signs all around
hit the breaks and I slow it down
we ain't payin no heed
we keep on pickin up steam

Like a runaway train
on a dead-end track
like a runaway train
on a dead-end track
we're only headed on way
theres not turning back
just a matter of time before we crash
out of control
like a runaway train
on a dead-end track
like a runaway train
