[Intro: La the Darkman] Yeah... This for all my niggas on the block... Knawhatimean, word up... pushing that rock... Knawhatimean, try'nna come up and get you a whole block You know? Nahimsaying, yo [La the Darkman] I'mma state a couple facts, like to hear it, hear it go Some people call it coke, some people call it blow No matter the name, best believe it make dough It's America's favorite rich drug, you know? A sixteenth weight 1.5, probably pay Fifty dollars for it, if you know some guys An eightball, 3.5 grams, never pay more Than a hundred fifty, for it, young soldier, if you can Then you move to a quarter, 7.0 Two hundred to two fifty, you can get it, for sho Now you on to a half 0, fourteen grams You almost paid the rent, with this, my man Cost you about 400, maybe 350 Might only get 12, if your peeps are shifty I used to keep my scale with me, a small handheld Nigga, tell me that it's weighed, I'mma weigh it myself After that, come a whole onion, all 28 If you cop it for about 650, you straight Make sure to scrape the plate, keep the razor straight Do it right, bout 15 hundred, you can make Then you copped one and a half, that's a little task 42 grams, cost eleven hundred cash But if you flip it fast, you'll get four and a half 250 grams, now you ain't broke, fam Pay 3,000 for that, you're slightly on the map It depends on how much flip, you get back But son, if your connect, is real like that What ever you buy, he'll put on top, black Now you got a half a brick, nigga, your hustle sick But be careful homey, and don't buy shit I know you thinking whip, cuz you seeing them stacks But holmes, never show 'em what you got, relax First cop a half and an ace, three quarters of a brick You getting heavy, have somewhere to stash that shit 750 grams, boy, you're doing your thing Watch them bitches, load them gats, serve the fiends Feed your team, make sure, everybody eating Once a week, you and your soldiers, have a meeting Making sure nobody cheating, or stealing from the fam You can build an empire, off a 1000 grams, my man... [Outro: La the Darkman] You knowwhatimean, that's how it's done, youknowwhatimean? A ki, you know, that's how you get

that Once you get there, it can cost you anything or
anywhere From 16 to 24... depending on where you at
and who you know Take it from me, L.A.D., come up,
nigga
