Get on the phone we gotta get it goin' on
Double two six nine two sixty-nine baby
Get it, baby baby
Get it, get it, get it, get it, get it

Get on the phone we gotta get it goin' on
Double two six nine two sixty-nine baby
Get it, baby baby
Get it, get it, get it, get it, get it

Say you're watching me, from my penthouse balcony
What you don't know, boy,
The second you turn I'm watching you
Can't resist that smile,
The tight jeans you wear just drives me wild
Here's my private line: double two six ninety-six nine

Do you like what you see, I know I like what I see
You know you got my number
You been lookin' at me, I been lookin' at you
We gotta get together
Do you like what you see, I know I like what I see
I wanna be your lover
You been lookin' at me, and I been lookin' at you

Enough chit chat, copy cat I know
What you wanna do, I wanna do the same as you
Copy cat, where you at, call me
And make me scream, ooh-ee-ooh-ee

Enough chit chat, copy cat I know
What you wanna do, I wana do the same as you
Curiosity got the best of me
Just make me scream, ooh-ee-ooh-ee

Don't stop
So hot
Double two six nine two six nine
Double two six nine two sixty-nine baby
Double two six nine two sixty-nine baby

When you're watching me, you set your thrillin' fantasy
Daydream all day, dreamin' about you in every way
Put your hands on me,
Take my thoughts of you and set them free
I can't wait to see, are you and me in harmony?

Do you like what you see, I know I like what I see
You know you got my number
You been lookin' at me, I been lookin' at you
We gotta get together
Do you like what you see, I know I like what I see
I wanna be your lover
You been lookin' at me, and I been lookin' at you

Enough chit chat, copy cat I know
What you wanna do, I wanna do the same as you
Copy cat, where you at, call me
And make me scream, ooh-ee-ooh-ee

Enough chit chat, copy cat I know
What you wanna do, I wanna do the same as you
Curiosity got the best of me
Just make me scream, ooh-ee-ooh-ee

Enough chit chat, copy cat I know
What you wanna do, I wanna do the same as you
Copy cat, where you at, call me
And make me scream, ooh-ee-ooh-ee

Enough chit chat, copy cat I know
What you wanna do, I wanna do the same as you
Curiosity got the best of me
Just call me baby, please call me

Get on the phone we gotta get it goin' on
Double two six nine two sixty-nine baby
Get it, baby baby
Ooh-ee, do me baby

Get on the phone we gotta get it goin' on
Double two six nine two sixty-nine baby
Get it, baby baby
Ooh-ee, do me baby

Enough chit chat, copy cat I know
What you wanna do, I wanna do the same as you
Copy cat, where you at, call me
And make me scream, ooh-ee-ooh-ee

Enough chit chat, copy cat I know
What you wanna do, I wanna do the same as you

Curiosity got the best of me
Just make me scream, ooh-ee-ooh-ee

Enough chit chat, copy cat I know
What you wanna do, I wanna do the same as you
Copy cat, where you at, call me
And make me scream, ooh-ee-ooh-ee

Enough chit chat, copy cat I know
What you wanna do, I wanna do the same as you
Curiosity got the best of me
Just call me baby, please call me

Get on the phone we gotta get it goin' on
