Fast talk  
All around  
That you've been messing up and fooling around  
And my friends  
They all say  
They saw you out with her the other day

When we first met it was love at first sight  
And then you kissed me  
We danced through the night  
(Whoa)  
Now tell me baby  
What can I do  
I'm so in love with a man who's untrue

Tell me she means nothing to you at all  
(Yeah yeah)  
Tell me she means nothing to you at all

Get it up  
Get it up

Now tell me baby  
Is it true  
I wanna know what you been up to  
They saw you kissing in the dark  
You hurt me baby  
You broke my heart

When we first met it was love at first sight  
And then you kissed me  
We danced through the night  
(Whoa)  
Now tell me baby  
What can I do  
I'm so in love with a man who's untrue

Tell me she means nothing to you at all  
(Yeah yeah)  
Tell me she means nothing to you at all  
(Yeah yeah)
