If you feel the funk, shake your rump  
Shake your rump to the funk  
Won't you shake it  
(If you feel the funk, shake your rump)  
(Shake your rump to the funk)  
(Won't you shake it)

Now we all see that you're groovin' down, yeah  
That don't mean you can't sit around  
Just sit around just get on down  
Now I wanna see you shake it to me

If you feel the funk, shake your rump  
Shake your rump to the funk  
Won't you shake it  
(If you feel the funk, shake your rump)  
(Shake your rump to the funk)  
(Won't you shake it)

Make you move to my funk  
Just turn me on  
I don't know you, but I would love to  
I can see you and me gettin' it on  
Come with me, let it be  
Get down and party

If you feel the funk, shake your rump  
Shake your rump to the funk  
Won't you shake it  
I want to see, shake baby shake  
Shake baby shake  
Shake it, don't break it  
Don't just clap your hands, get up and dance  
Shake it, don't break it  
Don't just clap your hands, get up and dance

Don't hold back what you feel in your soul  
'Cause if that's where it's at, boy, it's good as gold  
No, don't be shy, no need to question why

If you feel the funk, shake your rump

Shake your rump to the funk  
Won't you shake it  
(If you fel the funk, shake your rump)  
(Shake your rump to the funk)  
(Won't you shake it)
