You touched me
You touched me
And I never knew
The power of forces you
A feeling so strong I long
To keep you near me

Give me, give me
All you've got to give
Don't be kind just say you will
Keep coming on
Your touch is strong
I'm burning

Baby, save my soul tonight
I need your loving
Yes, it's right for me
Your touch is strong, you see
And I'd adore to be
Your night time lover

Baby, save my soul tonight
I need your loving
Yes, it's right for me
Your touch is strong, you see
And I'd adore to be
Your night time lover

With your touch, with your warm touch
You can't be hurt
Hold me closer a thousand years
Your lips touch mine, a sign
That you do love me

Tell me, tell me everything you know
Hold me tighter and
Don't let go, I feel what you feel
It's strong, it's real
I'm burning

Baby, save my soul tonight

I need your loving
Yes, it's right for me
Your touch is strong, you see
And I'd adore to be
Your night time lover

Baby, this is the night time
Honey, let's make it our time
My light have your shine
For a life time
As long as you're mine

Baby, save my soul tonight
I need your loving
Yes, it's right for me
Your touch is strong, you see
And I'd adore to be
Your night time lover

Your night time lover ooh ooh...

Baby, save my soul tonight
I need your loving
Yes, it's right for me
Your touch is strong, you see
And I'd adore to be
Your night time lover
