You can't trust a man, can't trust a man
You can't trust a man, can't trust a man
You can't trust a man, can't trust a man
You can't trust a man, can't trust a man

Called his cell, 2 o'clock
He says he's working late, but I know he's not
Crusin' in my benz, impressin' all his friends
And he's cheating

Lied to me like I don't know
Thinkin' he's slick, he's gotta go
Where is his loyalty? That much he promised me
Don't deceive me

You can't trust a man, can't trust a man
You can't trust a man, can't trust a man

I don't wanna hear I'm sorry Ms. Jackson
I don't wanna hear your sorry lies
Everytime I start to trust you,
You just come up with a bigger lie

I don't wanna hear I'm sorry Ms. Jackson
And don't'chu even try to fake a cry
Everytime I start to trust you,
You just come up with a bigger lie

Don't wanna hear the sympathy

Called again at 4 o'clock
Cell phones off Now I was hot
Walked into the club, busted the man I love
With someone else

One step forward and two steps back
Shaking his ass like he's the mack
I walked up to them, and told his trampy friend
You can't have him

Get it? Got it? Good.

Da da da de da da da
Da da da de da da da (da da da da)

You can't trust a man, can't trust a man
You can't trust a man, can't trust a man

Did you hear me, boys?
(What you say?)
You'll never get it, boys!

I don't wanna hear I'm sorry Ms. Jackson
I don't wanna hear your sorry lies
Everytime I start to trust you,
You just come up with a bigger lie

I don't wanna hear I'm sorry Ms. Jackson
And don't'chu even try to fake a cry
Everytime I start to trust you,
You just come up with a bigger lie

I can't believe, just can't believe my eyes
I can't believe how many nights you made me cry
I can't believe, just can't believe my eyes
I shouldn't leave him 'cause I know he really truly tries

I can't believe, just can't believe my eyes
I can't believe how many nights you made me cry
I can't believe, just can't believe my eyes
I shouldn't leave him 'cause I know he really truly tries

I don't wanna hear I'm sorry Ms. Jackson
I don't wanna hear your sorry lies
Everytime I start to trust you,
You just come up with a bigger lie

I don't wanna hear I'm sorry Ms. Jackson
And don't'chu even try to fake a cry
Everytime I start to trust you,
You just come up with a bigger lie

I don't wanna hear I'm sorry Ms. Jackson
I don't wanna hear your sorry lies
Everytime I start to trust you,
You just come up with a bigger lie

I don't wanna hear I'm sorry Ms. Jackson
And don't'chu even try to fake a cry
Everytime I start to trust you,
You just come up with a bigger lie

I don't wanna hear I'm sorry Ms. Jackson
I don't wanna hear your sorry lies
Everytime I start to trust you,
You just come up with a bigger lie

I don't wanna hear I'm sorry Ms. Jackson
And don't'chu even try to fake a cry
Everytime I start to trust you,
You just come up with a bigger lie

You can't trust a man, can't trust a man
