Yo, yo, yo, up in the hilton, buildin, playin outfieldin  
The black 90210 cat was chillin  
Then spottin this, somethin like fabulous with ice on  
Fly night's on, fitted up with fly tights on  
Starin at me, approach a god, represent right  
Peep this, james bond, bm look tight  
Delightly, that I could see shorty liked me  
Politilly, [nigga], get it right g

[la the darkman]

Day plannin, jump up, watch the landin  
Stay cool, fannin, polly, eatin salmon  
At the grill, reminise over who got killed  
And if they were here today, pa, how would they feel?  
Sun shinin, jet past the block, cats rhymin  
See king gunner, he gained cream this summer  
Rolled up a dacari, blessed my man  
Marvelous, wally rocker, lex, 450 land

[raekwon]

Yo, the barbeque's bangin and my sons look charged  
up  
What up? fresh cuts buildin when we rest up  
Team is righteous, fresh cologne on, probably roll on  
Some next club, no slag, throw my gold on  
Info, like a hotel, phat, she got stacks  
She's a big girl, cover girl laced, wig curl  
Goin through the struggles of life is trife  
Get your things right, maybe one day you'll be rich wife

[la the darkman]

Yo, picture good days, young, no bills to pay  
I can't 'til I grown, that's what all kids say  
Came a long way, cashin checks, duplex  
To lampin on planes, rockin 5 g chains

Well known, just bought moms a new home  
Check shorty on the swing, playin the cellphone  
Lookin lovely, green sundress, no stress  
Nails look fresh, painted to impress  
It's only love

[raekwon]

Yo, yo, son, that's my word  
Connect dots with all live [niggaz] in the world  
Start some thesis, exiled, long releases  
Though we got family there with little nieces  
Six a crash with king nike air, yo  
Rockin them new wu glasses, lace my lab, kid  
Magazinin', swim, watch, long dreamin  
Peace, I'm out, golden globe rapper low-keyin

[la the darkman, (12 o'clock)]

Yo, cuban linkin, lampin at the park here drinkin  
Watch the seeds play here free, mind thinkin  
Birthdays, presents, learnin, readin lessons  
Nine God year, livin in impressions  
Splashin, la medallion flashin  
(son, talk your jewels 'fore you jump in the pool)  
Aight, du', I stay blacked out by the leaf  
'cause I eat to live, not live to eat  
Sayin peace, nah'i'm'sayin?
