All my life
I've always wanted more
Now that I fell for you
I've got what you're looking for
So satisfied
That I stopped searching
Whatever you do to me
Baby it's working
All this trouble
That made my feelings double
I enjoy to flirt with danger
Hate to burst your bubble baby
Because La Toya
They're stronger, I'll destroy ya
Just to keep your love inside
Then I'll always enjoy ya

Such a wicked love
(Wicked love)
The love you treat it
Exactly what I needed
Such a wicked love
(Wicked love)
The love you treat it
(You're exactly what I needed)

Don't waste my time
(No no no)
Oh oh baby

You're reputation
Got women scared of you
They say that you love em and leave em
But I still want you
So don't you cheat on me
Cause if ya slip
I wont say a word to you
Just don't gimme no lip baby
The way you hold me
I feel so lucky
Body tingles, sings jingles

Everytime you touch me
I can't describe it
This love is somethin
And if I can't have your love
Then I don't want nothing

Such a wicked love
(Wicked love)
The love you treat it
Exactly what I needed
Such a wicked love
(Wicked love)
The love you treat it
(You're exactly what I needed)
I need a wicked love
(Wicked love)
Ooh ooh ooh
Yes indeed
Exactly what I need
A wicked love
(Wicked love)
Baby
The love you treat it
You're exactly what I needed

I think I hear Mr. Bass knockin
Cool we're gonna make the rules
Cause it aint no joke
Knock on the door
Go for broke

I need a wicked kinda lover
Mmm and that's a fact
He's got to be exact
Don't you go nowhere

Such a wicked love
Such a wicked love
Such a wicked love
Such a wicked love
Such a wicked love
Such a wicked love
Such a wicked love
Such a wicked love

Such a wicked love
(Wicked love)
The love you treat it
Exactly what I needed
Such a wicked love
(Wicked love)

The love you treat it
(You're exactly what I needed)

Alright ya'll I'm outta here
Peace!
