Ooh I really miss you baby, ooh I really miss you darlin'
Ooh I really miss you baby, ooh I really miss you darlin'

Walking along the naked shore
Makes me wanna run back to your arms, the place I felt
secure
Starry nights, I long to hold you
As the pain sets in of being here, without seeing your
smile

I remember when we you first held me
Nothing in the world meant more to me
Ooh, I wanna feel your tender loving arms again

You and me, tropical breeze, sitting by candlelight
Sharing our dreams
Through the night, deep blue sea
We both come together, just as the ocean meets the
sea

Watch and breathe, tropical breeze, can't even close
my eyes
Thinking of you
Look at me, I can breathe
I wanna join you, just as the ocean meets the sea

Windy days and ocean breeze
Makes me think of how it used to be, when you and I
first met
We were making love under the palm trees
As the warm water flowed, wishing that the night would
never end

I remember when we you first held me
Nothing in the world meant more to me
Ooh, I wanna feel your tender loving arms again (loving
arms)

You and me, tropical breeze, sitting by candlelight
Sharing our dreams
Through the night, deep blue sea

We both come together, just as the ocean meets the sea

Watch and breathe, tropical breeze, can't even close my eyes

Thinking of you

Look at me, I can breathe

I wanna join you, just as the ocean meets the sea

Ooh, I really miss you baby

(You know I really miss you, baby)

Ooh, I really miss you baby

Ooh, I really miss you baby

Ooh, I really miss you baby

Ooh, la la la la la la la la la la la

(Ooh, I really miss you darlin')

Ooh, la la la la la la la la la la la

(I wanna join you forever)

You and me, tropical breeze, sitting by candlelight

Sharing our dreams

Through the night, deep blue sea

We both come together, just as the ocean meets the sea

Watch and breathe, tropical breeze, can't even close my eyes

Thinking of you

Look at me, I can breathe

I wanna join you, just as the ocean meets the sea

Ooh, la la la la la la la la la la la

(Ooh, I really miss you darlin')

Ooh, la la la la la la la la la la la

Ooh, la la la la la la la la la la la (Can't live without you)

Ooh, la la la la la la la la la la la

(Show me just what to do, I miss you)

Ooh, la la la la la la la la la la la (Can't live without you)

Ooh, la la la la la la la la la la la

(Show me just what to do, I miss you)

Ooh, la la la la la la la la la la la

(I can't live without you)

Ooh, la la la la la la la la la la la

Ooh, la la la la la la la la la la la

Ooh, la la la la la la la la la la la

Ooh, la la la la la la la la la la
Ooh, la la la la la la la la la la
