Dear darling,  
I'm writing this letter to let you know  
That I can't live my life without, so please please don't  
go  
Love LaToya

Seems like it was just the other day  
(Love came my way)  
Thinking about the wonderful time, we shared  
(We had no cares)  
Now it seems as though the flame is gone  
(And it shows)  
I tried to hold back my tears  
(Over flowed)  
Never thought that I would see the day  
I can't go on this way... without you  
(Holding you, wanting you)  
Ooh no...  
(Needing you)  
Can't live my life without you  
(Loving you, holding you)  
Please don't go...  
(Wanting you)  
(Can't live my life without you...)

Many nights I set aching all alone  
(Waiting by the phone)  
Hoping you would call: if I'm alone  
(Please don't leave me)  
I never thought that you would leave me there  
(Please don't go)  
I never thought that it would be this way  
(Now I know)  
You are my heart, my soul each pray I make  
Can't go on this way...  
Without you...

(Holding you, wanting you)  
Ooh no...  
(Needing you)  
Can't live my life without you

(Loving you, holding you)  
Please don't go...  
(Wanting you)

You are the one who give me hope live  
You taught me love you taught me how to forgive  
You gave me strength in love when I was down  
And now I need you but you can't be found...

(Holding you, wanting you)  
(Needing you)  
Can't live my life without you  
(Loving you, holding you)  
Please don't go...  
(Wanting you)

(Can't live without you)  
(Come back to me)  
(There's no tomorrow)  
(Come back to me)  
(Can't live without you)  
(Come back to me)  
(There's no tomorrow)
