Yeah I like this
(I know you do)

Once more
You're rushin out my door
I guess you got
Exactly what you came here for
You're such a bore

Three times
I call your beeper number
I guess you left it off again
Maybe you just want
A play thing or a friend

Hike your Nikes
Cause I'm through with you
(I'll waste my time no more)
You're just another boy
I thought I knew
You know what time it is
So bust a move
I think it's time
I found somebody new
Guess what?
You blew!

Such a shame
Why must we play this game
I don't think I can trust you
Cause men are all the same
(I can't live with you
I can't live without you)

We was cool
We lived by our own rules
December lovers
You played me for an April fool
Don't waste my time
If you're runnin' those same old lines
Oh baby

Hike your Nikes
Cause I'm through with you
(I waste my time no more)
You're just another boy I thought I knew
Know what time it is
So bust the move
I think it's time I found somebody new
You blew!

Yeah yeah yeah yeah
(Come on take it to the bridge)

(One more chance is all I need from you)
It's time to find somebody new
My waiting days are over
Simply put
You blew
You blew!

(Hold it now, wait!)
Believe that
Believe what
What? Did I stutter?
Check it out.
(Butter)

Broken hearts can mend, friend
But don't depend on this toy
To give you what you want boy
Cause that ain't right
F.F. got my back
Just in case you act whacked
You better treat me like you should
Understood?
(Mmmhmm)
Good!

Get busy

Hike your Nikes
Cause I'm through with you
(I'll waste my time no more)
You're just another boy
I thought I knew
You know what time it is
So bust a move
I think it's time
I found somebody new
Guess what?
You blew

You blew!
Yeah yeah yeah yeah
Ooh baby

Hey baby I'll teach you your ABC's
I'll be there

Just like your brother used to say
I want you back
Ooh baby! ooh baby!
