I kinda like the funky clothes you wear  
I like your shirts ripped off and half bare  
I even like what you do with my photograph  
Even though you know I'm standing there

Your body's cut, buffed everywhere  
People look and I love it when other women stare  
The way you walk, your sex appeal and talk  
I got your game, 'cause mine is just the same

I know you're so nasty  
Guess what, I am too  
I know you're so nasty  
I'm ready, how 'bout you?

I know you're so nasty  
Guess what, I am too  
I know you're so nasty  
Let's get it on, so tell me what you wanna do

Come follow me...  
I'm your destiny...

Tell me what you want, what 'chu really really want  
Tell your mama what you want  
Tell me what you want, what 'chu really really want  
Why don't you tell me what you want?

Tell me what you want, what 'chu really really want  
Tell your mama what you want  
Tell me what you want, what 'chu really really want  
Why don't you tell me what you want?

Got an attitude like a billionaire  
Know what you want and exactly how to get there  
Don't need directions, don't even need a plan  
Since I met you, I don't want another man

Other women, they often come and go  
I'm doing life, let everybody know  
I don't care what I have to do

I can't stand the thought of losing you

I know you're so nasty  
Guess what, I am too  
I know you're so nasty  
Let's get it on, so tell me what you wanna do

Come follow me... (yeah)  
I'm your destiny... (uh)

Tell me what you want, what 'chu really really want  
Tell your mama what you want  
Tell me what you want, what 'chu really really want  
Why don't you tell me what you want?

Tell me what you want, what 'chu really really want  
Tell your mama what you want  
Tell me what you want, what 'chu really really want  
Why don't you tell me what you want?

Tell me what you want, what 'chu really really want  
Tell your mama what you want  
(You got me hot in your drop top)  
Tell me what you want, what 'chu really really want  
Why don't you tell me what you want?  
(Meet me with my hot spot)

Tell me what you want, what 'chu really really want  
Tell your mama what you want  
(You got me hot in your drop top)  
Tell me what you want, what 'chu really really want  
Why don't you tell me what you want?
