Cause there ain't nobody loves you like I do

You think that I been cheatin
I can see it in your eyes
You say that I've been runnin round
Do you believe in lies?
Ooh, ooh loving you is all I wanna do
Do I have to prove myself to you? Yeah
I wouldn't hurt you baby
Don't believe a word they say
After all that we've been through
How could I anyway?
So you think that I can really be so cruel
There ain't no mountain high
I wouldn't climb for you

Cause there ain't nobody loves you
Like I do
Don't let that jealous talk
Get through to you
Cause if they start a rumour that my heart ain't true
Don't let it come between us
Cause there ain't nobody loves you like I do

You got so many questions
I can see it in your face
You say that my affections
Are somehow out of place
Ooh ooh, loving you is all I wanna do
There's no river deep
I wouldn't swim for you

Cause there ain't nobody loves you
Like I do
Don't let that jealous talk
Get through to you
Cause if they start a rumour that my heart ain't true
Don't let it come between us
Cause there ain't nobody loves you like I do

**All this time
You've been on my mind

Didn't think you were the kind
To throw it all away
What was I to do?
I should've seen right through
All the bad, bad lies
Tearing me apart
Inside

Ooh, ooh lovin you is all I wanna do
Ooh there ain't a thing I wouldn't do for you

Cause there ain't nobody loves you
Like I do
Don't let that jealous talk
Get through to you
Cause if they start a rumour that my heart ain't true
Don't let it come between us
Cause there ain't nobody loves you like I do
There ain't nobody loves you
Like I do
Don't let that jealous talk
Get through to you
Cause if they start a rumour that my heart ain't true
Don't let it come between us
Cause there ain't nobody loves you like I do
