Mmmhmm

Fast talk

All around

That you've been messing up and fooling around

And my friends

They all say

They saw you out with her the other day

When we first met it was love at first sight

And then you kissed me

We danced through the night

(Whoa)

Now tell me baby

What can I do

I'm so in love with a man who's untrue

Tell me she means nothing to you at all

(Yeah yeah)

Tell me she means nothing to you at all

Get it up

Get it up

Now tell me baby

Is it true

I wanna know what you been up to

They saw you kissing in the dark

You hurt me baby

You broke my heart

When we first met it was love at first sight

And then you kissed me

We danced through the night

(Whoa)

Now tell me baby

What can I do

I'm so in love with a man who's untrue

Tell me she means nothing to you at all

(Yeah yeah)

Tell me she means nothing to you at all  
(Yeah yeah)
