You may say he's eccentric  
I will admit that he's quite different  
You may say he does crazy things, oh, oh, oh  
He works hard for the money that he brings

Bad and Thriller, he's still the man in the mirror  
'Cause he's good to me and I know  
Yes, I know that he loves me so

'Cause he is my brother  
Whenever he has to he's heavy  
'Cause he is my brother (He's my brother)  
He gives me emotions in plenty

When I'm alone and I need him  
He's with me like lightning  
'Cause he is my brother  
And I love, yes I love  
And I love, yes I love him so

He-He-He's not bad!  
(He's not bad! )  
Oww!

Out on stage he's electric  
When he dances, it's just like magic  
And you know when he starts to sing, oh, oh, oh  
He is reaching the world with his music

Bad and Thriller, he's still the man in the mirror  
'Cause he's good to me and I know  
Yes, I know that he loves me so

'Cause he is my brother  
Whenever he has to he's heavy  
'Cause he is my brother (He's my brother)  
He gives me emotions in plenty

When I'm alone and I need him  
He's with me like lightning  
'Cause he is my brother  
And I love, yes I love

And I love, yes I love him so

He's not bad!  
(He-He-He's not bad! )  
Oww!

'Cause he is my brother  
Whenever he has to he's heavy  
'Cause he is my brother (He's my brother)  
He gives me emotions in plenty

When I'm alone and I need him  
He's with me like lightning  
'Cause he is my brother  
And I love, yes I love  
And I love, yes I love him so

'Cause he is my brother  
Whenever he has to he's heavy  
'Cause he is my brother (He's my brother)  
He gives me emotions in plenty
