I don't care if you're rich or poor  
Oh baby I don't care if you live next door  
And I don't care of your college grades  
Oh baby I don't care how much bet you made

And I don't care who came here for me  
Just really know I'm in love  
Gotta have a love that strong  
Loving you is important to me  
So don't go wasting time, just say you're mine

Won't you be my playboy  
I wanna be your playtoy too  
(Won't you be my) Won't you be my playboy  
I only wanna be with you  
I need a lot of warm affection  
Just to keep me satisfied  
Can't help feeling a strong attraction  
Hit me with your love reaction  
Won't you be my playboy  
I wanna be your playtoy too

I don't care for outrageous things  
Oh baby, I don't need things like diamond rings  
I only need love that serious  
So baby come right here I got plans for us

And all the girls have got your number  
I love you so just say no  
I need your love tonight  
Don't you satisfy their hunger  
And I mean it when I say keep far away

Won't you be my playboy  
I wanna be your playtoy too  
(Won't you be my) Won't you be my playboy  
I only wanna be with you  
I need a lot of warm affection  
Just to keep me satisfied  
Can't help feeling a strong attraction  
Hit me with your love reaction  
Won't you be my playboy

I wanna be your playtoy too

I want a playboy. Do you wanna?  
Do, do you wanna make me very happy?

I don't need no limousine  
See, I feel at home in my baggy jeans  
And I don't need those things you buy  
Baby all I want is an honest guy  
And I don't need no fancy yacht  
I don't care how much you got  
All I want is a boy like you - maybe two!

Won't you be my playboy  
I wanna be your playtoy too  
(Won't you be my) Won't you be my playboy  
I only wanna be with you

Won't you be my playboy  
I wanna be your playtoy too  
Won't you be my playboy  
I only wanna be with you

(Won't you be my)  
Won't you be my playboy

Won't you be my playboy  
I wanna be your playtoy too  
Won't you be my playboy  
I only wanna be with you
