

## La Toya Jackson "Player"

Visit "[Player](#)" on [MotoLyrics.com](#)

He's just a player (baby, I)  
He's just a player (Always just a player)  
He's just a player (baby, I)  
He's just a player (Nothin' but a player, nothin' but a  
player)

Is that your boyfriend? Is that your boyfriend?  
You forgot to tell me you were sleepin' with another  
man  
Hope you don't love this man, he's a player, doesn't  
give a damn  
Says he's in love, you see  
With me is where he really, really wanna be

He's such a known freak, and his reputation speaks  
It's getting harder and he's lookin' kind of cute to me  
We went out last night, he started at the first red light  
I told him go, he said no,  
The rest do you really, really wanna know?

Oh won't you tell me, what'cha gonna do to me?  
Oh won't you tell me just what'cha gonna do to me?

Once a player, always a player baby  
Get what you want, and then you're with another lady  
Play me, player, got me where you want me baby  
Got what you want, and I'll be that other lady

Once a player, always a player baby  
Got what you want, and it's right here between the  
sheets  
Play me, player, ooh, when I'm done playin' baby  
Do what you want, and you don't have to call me later

He's just a player (baby, I)  
He's just a player (Nothin' but a player, nothin' but a  
player)

If that's your boyfriend, then you better put a leash on  
him  
He's running wild, and I know many women have  
captured him

What you don't understand, he's always in demand  
Well, let me tell you why he's bigger and better  
Than any other guy

He tied me up last night, we freaked 'till the morning  
light  
The neighbors heard, called the cops,  
'Cause they thought it was a fight  
He's just a player, you see, fulfill my fantasies  
Oh he's so hot, didn't wanna stop,  
'Cause I kind of like what he does to me

Oh won't you tell me, what'cha gonna do to me?  
Oh won't you tell me just what'cha gonna do to me?

Once a player, always a player baby  
Get what you want, and then you're with another lady  
Play me, player, got me where you want me baby  
Got what you want, and I'll be that other lady

Once a player, always a player baby  
Got what you want, and it's right here between the  
sheets  
Play me, player, ooh, when I'm done playin' baby  
Do what you want, and you don't have to call me later

Say my name, just say La Toya!  
Say my name, just say La Toya!  
Say my name, just say La Toya!  
Say my name, just say La Toya!

I'm too sexy baby, so sexy baby!  
I'm too sexy baby, uh uh uh uh!

Say my name, just say La Toya!  
Say my name, just say La Toya!  
Say my name, just say La Toya!  
Say my name, just say La Toya!

I'm too sexy baby, so sexy baby!  
I'm too sexy baby, uh uh uh uh!

Say my name, just say La Toya!  
Say my name, just say La Toya!  
Say my name, just say La Toya!  
Say my name, just say La Toya!

Once a player, always a player baby  
Get what you want, and then you're with another lady  
Play me, player, got me where you want me baby  
Got what you want, and I'll be that other lady

Once a player, always a player baby  
Got what you want, and it's right here between the  
sheets  
Play me, player, ooh, when I'm done playin' baby  
Do what you want, and you don't have to call me later
