Fast talk
All around
That you've been messing up and fooling around
And my friends
They all say
They saw you out with her the other day

When we first met it was love at first sight
And then you kissed me
We danced through the night
(Whoa)
Now tell me baby
What can I do
I'm so in love with a man who's untrue

Tell me she means nothing to you at all
(Yeah yeah)
Tell me she means nothing to you at all

Get it up
Get it up

Now tell me baby
Is it true
I wanna know what you been up to
They saw you kissing in the dark
You hurt me baby
You broke my heart

When we first met it was love at first sight
And then you kissed me
We danced through the night
(Whoa)
Now tell me baby
What can I do
I'm so in love with a man who's untrue

Tell me she means nothing to you at all
(Yeah yeah)
Tell me she means nothing to you at all
(Yeah yeah)
