[Jay-Z]

"You gotta let this one breathe Just"....  
...."Just let it breathe for a second."

"JUST BLAZE!"

[Lenny Kravitz]

My life has taken me beyond the planets and the stars  
And you're the only one that could take me this far  
I'll be forever searching for your love  
I walked away but I was wrong  
You're the one that keeps me strong  
You're the fire that keeps me warm  
How will I get through this storm?  
At night, I pray before I sleep in hope of finding you  
I've opened up my heart, I want you to come through  
I close my eyes, I'm searching for your love  
I walked away but I was wrong  
You're the one that keeps me strong  
You're the fire that keeps me warm  
How will I get through this storm?

[Jay-Z]

"Yes, Yes"  
"I got the bounce Lenny"  
"Check me out"

Brooklyn's Bad Boy back again  
Feet hit the ground running and my back's to the wind  
Angels on my shoulders, head in the clouds  
No I'm not rapping I'm just thinking real loud  
My Karma's my armor, my charm and wit  
is like a leather bomber I'm warm and shit  
and I did bad for good but when you're trapped in the  
hood  
you do worse for less homie earth's a test  
Only God can judge me, my heart ain't ugly  
But the thoughts that I drop is heavy, try to budge me  
Momma loved me, Pop left me  
Still the homies call me lucky lefty  
Im flashy and deadly, deceptively smart

I make hustlin' heaven and pimping a art  
Long as I know that I'm blessed and Im loved in depth  
I can walk through water and not get wet, Im that fresh!

[Lenny Kravitz]

I walked away but I was wrong  
You're the one that keeps me strong  
You're the fire that keeps me warm  
How will I get through this storm?

[Jay-Z]

There you have it  
Young hov, Lenny Kravitz  
Not your average  
Get your umbrella  
It's raining macs and broads  
all grace to god

[Lenny Kravitz]

I walked away but I was wrong  
You're the one that keeps me strong  
You're the fire that keeps me warm  
How will I get through this storm?
