After a long timetrip I'm home  
After postcard life with you in a malaysian bungalo  
See you miss you love you take care  
On the last busstop you told me "too sentimental"  
That was what you said  
At the time,  
Right now, I guess I am

I damn you aussie girl  
For teasing me and pleasing me and leaving me  
I guess I'm falling for someone half the world away

Back to normal till we meet next time  
Guess you are right now at the laundry with  
Your redhaired aussie guy  
See you miss you love you take care  
On the last busstop you told me to go sentimental  
That was what you said  
At the time,  
Right now, I guess I am

I damn you aussie girl  
For teasing me and pleasing me and leaving me  
I guess I'm falling for someone half the world away

I damn you aussie girl  
For teasing me and pleasing me and leaving me  
I guess I'm falling for someone half the world away

You told me how to walk but left me running here  
My walking-stick's worn out  
So please c'mon and show me home  
Show me all the way back home

Five days can change your world  
Five nights can make it turn
