"Hang Me In The Christmas Tree"

Hey could anybody take me home I feel leftover and
alone
Could anybody please take me out just for once just for
tonight
I'll be him for you if you're her for me
Close your eye pretend and dream
I'll be him for you if you're her for me
Let's pretend we're all dreaming

Aaaaaaahhh

Hey could anybody take me home I feel leftover and
alone
Could anybody take me out just for once just for
tonight
You give me comfort when I cry
You say you'll always love me like
You love your hamster that died when you were nine

Ref.

If I hang myself in a Christmas tree would you be
missing me?
Would you be missing me?
Are there bars in heaven? Are there girls in heaven?
Soon we'll find out, yeah soon we'll find out
If I hang myself in a Christmas tree would you be
missing me?
Would you be missing me?
Are there bars in heaven? Are there girls in heaven?
Can they comfort me? Can they comfort me?

Hey could anybody take me home I feel leftover and
alone
Could anybody take me out just for once just for
tonight
Another night out, another night out, another night out
High, feeling low, why am I so slow?
Another night out, another night out, another night out
High, looking for you
