In the place they call my home  
We ended up  
In the thing that I use as a bed  
We lay down

Nice, even though you had your period  
Nice, even though I couldn't get it up  
Nice, even though you had your period  
Nice, even though I couldn't get it up

True love  
This must be it

On a boat between Stockholm and Helsinki  
We just couldn't wait 'til we got to our room  
We just couldn't wait 'til we got to our room  
We made love on the toilet

Was nice, even though you kept your trousers on  
Nice, even though I hadn't wash for days  
Nice, even though you kept your trousers on  
Nice, even though I hadn't wash for days

True love  
This must be true love  
True love  
This must be it

On a night after a fight  
We got together again  
With peace and love in your apartment

Weeks later I got this mail where you said  
"I miss you, I'm pregnant  
I miss you, I'm pregnant again"

Was nice, even though you had no period  
Nice, even though we both were terrified  
Nice, even though we didn't know what to do  
With the bastard growing in you

You left for norway  
You took our true love away
