(DJ Paul)
Now Ima break it down for ya since you bitches don't

Just because u signed wit'select-o, you aint a CEO
Ya gotta sell some records first, that's part of the plan
Lets try to see if you can get more than 20,000 on

You wack ass bitches what ya playin wit this cheese

On my wall I got some Golds and I got some PTs

(Juicy J)

You do amaze me
You say u on top
So why u hate me
You muggin u starin
But I aint carin
Or is it my watch
The platinum the carats
But why u wanna do
What grown folks do
Like go to house of dubbs
And purchase 22's

(La Chat)
I'm puttin the city on lock

I'm gonna blow up ya spot
When ya run ya get popped
Loaded strapped up wit gats
But you can't kill of a mack
You done fucked up ya know dat

I gave you props a great bitch
Them killers give me yo shit
La Chat gone blow off yo wig
Why you keep crossin yo nig

Pull up in front of ya home

That woman shoot up ya dome
Since ya wanna be a killer
Heres ya chance ya nigga
Lets see do u got the liver
To pull ya gun and the trigga
Alot of bitches hate Chat
But I aint fucked up bout dat
Ya wanna get off some anna
Shit!!! ya know where I'm at
But then ya know how I roll
Ya bitches know what I'm bout
