I love ya chilled, and I love ya chopped
I love ya better, it's so hard now to stop
Big legged woman, with the short, short mini skirt
Promise me darlin', never make me feel like this

I love ya hips, and I love ya thighs
I love ya baby now, you my heart desires
Big legged woman, with the short, short mini skirt
Promise me darlin', never make me feel like this

Ashes to ashes, and dust to dust
You mess with my woman, I'm gonna hush your fuss
Big legged woman, with the short, short mini skirt
Promise me darlin', never make me feel like this

Rustle up your feathers, and curl up your tail
I'm gettin' somethin', if I have to go to jail
Big legged woman, with the short, short mini skirt
Promise me darlin', never make me feel like this

Little red rooster, told the little brown hen
I ain't had none, since god knows when
Big legged woman, with the short, short mini skirt
Promise me darlin', never make me feel like this

I'll love you nights, and I'll love you days
I'll love you baby, every kinda way
Big legged woman, with the short, short mini skirt
Promise me darlin', never make me feel like this.
I love a big legged woman
I love a big legged woman
I love a big legged woman
All night long
All night long
All night long
Girl is alright
Girl is alright
Girl is alright
I love a big legged woman
I love a big legged woman
