Girl reach the age of 18,  
she begin to think she's grown  
That's the kind of little girl you can't never,  
find at home  
Come see me Early in the mornin',  
baby 'bout the break of day  
Then you all saw me huggin' a pillow,  
where my baby used to lay

One drink of wine, two drinks of gin,  
took a little girl to put me in the shape I'm in  
Come see me early in the mornin',  
just about the break of day  
Then ya' all saw me huggin' my pillow,  
where my baby used to lay

Went to the juke joint,  
look through the door  
Found that little girl doin' the boogie-woogie,  
in the middle of the floor  
Come see me early in the mornin',  
Baby 'bout the break of day  
Then ya all saw me huggin' the pillow,  
where my baby used to lay

Girl reach the age of 18,  
she begin to think she's grown  
That's the kind of little girl you can't never,  
find at home  
Come see me Early in the mornin',  
baby 'bout the break of day  
Then you all saw me huggin' a pillow,  
where my baby used to lay
