My baby, she is a honey bee
My baby, she is a honey bee
Might not sting for you but she
Always buzzin' me

Man needs honey
Gets it when he could
Stingin' always
Feel so good

My baby, she is a honey bee
Might not sting for you but she
Always buzzin' me

What I like about a,
'Bout a honey bee
How she stings me
With her stingaree
Buzz me in the morning
While I'm layin' up
Keeps stingin' till we both
Have had enough

My baby, she is a honey bee
Might not sting for you but she
Always buzzin' me

I love that stingaree
I love that stingaree
She's my honey bee
I love that stingaree
I love that stingaree
She's my honey bee
I love that stingaree
'Cause she's so good to me
