I'm trying to hold you  
from the harm that I'll cause to you in the end  
if you love me too much  
I'm trying to spair you  
from the troubles that my troubled soul  
may cause on the way

yeah, I know what sensation it is to ride  
on a bicycle at the age of 5

I'm trying to keep you  
from the modern days and the easy ways  
you get thrown up your face  
I'm trying to help you  
from the bigger lies and the harder fights  
that can wear out your eyes

yeah, I know what sensation it is to ride  
on a bicycle at the age of 5

I'm trying to hold you  
from the harm that I'll cause to you in the end  
if you love me too much  
I'm trying to spair you  
from the bigger lies and the harder fights  
that can wear out your eyes

yeah, I know what sensation it is to ride  
on a bicycle at the age of 5  
and I try not to, try not to, try not to hard  
when I try to keep my able self inside

yeah, I know what sensation it is to ride  
on a bicycle at the age of 5  
and I try not to, try not to, try not to hard  
when I try to keep my able self inside

if someone ever grabs the phone  
I'll be the last to know  
what is wrong with us
