In an apartment in another part of town  
With my friends the junkies that always kept their noses  
white  
I pay the taxi I think she wants me more if I don't show  
how poor I am  
Pay another taxi now it's just me in the front seat  
Hey driver take me somewhere south

Västerbron I hate walking on you  
It's six in the morning you make me think of falling  
Västerbron you show me such great heights  
I'm out of my mind you make me think that I could fly if  
I tried

I had seen her before had never talked to her before  
But on the dance floor I did  
- How are you doing?  
- How are you doing?  
- I've seen you before?  
- I've seen you too  
- We've got friends in common  
- Aha  
- You look great  
- Thanks

We took the last train, went with the subway to  
Stockholm city  
Went to a club and saw the band from Arkansas  
They sucked big time but after the show I said  
"Guys you were great you were fine"  
It was time to say goodbye I got her number she got  
mine  
I got her address and I had to say hey sorry I'm  
homeless

Västerbron I hate walking on you  
It's six in the morning you make me think of falling  
Västerbron you show me such great heights  
I'm out of my mind you make me think that I could fly if  
I tried

Oh yes I hate this bridge

I hate to walk on it  
I hate the bridge and the things it makes me think of

VÃsterbron I hate walking on you...
