One of these days the skys gunna break
And everything will escape that I know
One of these days the mountains are gunna fall
Into the sea and they'll know

Cuz you and I were made for this
I was made to taste your kiss
We were made to never fall away

Never fall away

One of these days letters are gunna fall
From the sky, I'm telling your soul
To go freeeee
But until that day, I'll find a way
To let everybody know that you're coming back
(Mmmm you're coming back for me)

Cuz even though you left me here
I have nothing left to fear
Fears are only ones that hold me here
HOLD ME HERE, ohhhwoaaahhhh
Hold me hereeeeeeeeawwhaaa
Hold me here

The only ones to hold me here

One day soon, I'll hold you like the sun
Holds the moon
And we will hear these planes overhead
And we wont have to be scared

Cuz we wont have to be (yeaaaaaaaaaaaaaaaaaaaaah)
Cuz we wont have to beeee yeaaahhh yeaaahh
Ooooo

(30x)
Your comeing back for me
