Today I heard that someone left this earth  
That someone disappeared, left no mark here  
Today I heard that someone just got up and left  
themselves  
Lying on the ground

Today is, today is, today is  
Quiet in my town (x2)

Today two boys disappeared without noise  
And I wish that I was them  
Flying somewhere over head  
Tonight in silence  
Two lovers they fight and one is bored, one is angry  
But neither one of them is right

Today is, today is, today is  
Quiet in my town (x2)

Oh somebody say something  
Somebody say something  
Somebody say something to me  
Oh somebody say something  
Somebody say something  
Cause I can't take this silence anymore

Today is, today is, today is  
Quiet in my town (x2)

Today I heard the sound of birds  
And I wish that I was  
Anywhere but here

It's too quiet (x13)

It's too quiet in my town  
I say it out today is, today is, today is  
Quiet in my town

Today is, today is, today is  
To quiet in my town (x2)
