Here I go again  
Missin you all over again  
Thinkin and dreamin about you  
When I should be thinkin about the things I should be  
doin  
but why should I care when I'm thinkin about you

Chours

I'm sittin here thinkin and dreamin about you  
Missing you all over again  
Living on my own again is so different from when I was  
livin with you  
I got a man now that I'm in love with but I'm sittin here  
thinkin and dreamin about you  
Missing you all over again  
Loving you all my life I can never forget the way you  
looked into my eyes

Here I go again  
Missing you all over again
