We still believe, we still believe
It's coming home,
It's coming home, it's coming
Football's coming home
It's coming home,
It's coming home, it's coming
Football's coming home
Tears for heroes dressed in grey
No plans for final day
Stay in bed, drift away
It could have been all
Songs in the street
It was nearly complete
It was nearly so sweet
And now I'm singing
Heroes the shirts
Everybodies gleaming
No more years of hurt
No more need for dreaming
Talk about football coming home
You never walk alone
We were weak, but we've grown
And now I see us ready for war
Between good as before
Now where going for more
The crowd is screaming
Heroes on the shirt
Everybodies still gleaming
No more years of hurt
No more need for dreaming
Now where raising our hands
And where taking our chance
It's coming home,
It's coming home, it's coming
Football's coming home
It's coming home,
It's coming home, it's coming
Football's coming home
It's coming home,
It's coming home, it's coming
Football's coming home

It's coming home,
It's coming home, it's coming
Football's coming home
It's coming home,
It's coming home, it's coming
Football's coming home
Heroes the shirts
Everybodies gleaming
No more years of hurt
No more need for dreaming
Heroes the shirts
Everybodies gleaming
No more years of hurt
No more need for dreaming
it's coming home
it's coming home ALRIGHT!!
