If everything comes down to love  
Then just what am I afraid of  
When I call out Your name  
Something inside awakes in my soul  
How quickly I forget I'm Yours

(PRE-CHORUS)

I'm not my own  
I've been carried by You  
All my life

(CHORUS)

Everything rides on hope now  
Everything rides on faith somehow  
When the world has broken me down  
Your love sets me free

When my life is like a storm  
Rising waters all I want is the shore  
You say I'll be ok and  
Make it through the rain  
You are my shelter from the storm

(CHORUS)

Everything rides on hope now  
Everything rides on faith somehow  
When the world has broken me down  
Your love sets me free

I am not my own  
I've been carried by you my whole life

(CHORUS)

Everything rides on hope now  
Everything rides on faith somehow  
When the world has broken me down  
Your love sets me free  
(Repeat 2x)

(CHORUS 2)

You've become my hearts desire

I will sing Your praises higher  
Cause Your love sets me free  
Your love sets me free  
Your love sets me free
