[M & L by S. Guadagnoli]

Yes I wanna let it go...

Side 2 side, bottom 2 da top, from east 2 da west in A  
we trust

And it's all about what what we're doing fine, we're  
gonna burn the roof

Side 2 side, bottom 2 da top, from east 2 da west in A  
we trust

C'mon and get aboard Addiction sounds like this yo  
Stand outside the wave waiting for they're comin' on to  
detect this beating inside

Cut you in and pull outside

Burn some more in you what we do is an overflow of  
the rage you're pushing this way

So are U gonna move

[Bridge:]

Make it, and don't forget,

Funky, you're what you are

In Addiction we trust

So make your move we're comin' to getcha

[Chorus:]

Side 2 side, bottom 2 da top,  
From east 2 da west in A we trust

Go, let it go, let it go, let it go, let it go

Won't you rock with me 1 time from the city light 'till  
morning comes just call on me

When you'll get there I'll see your face

Burn some more in you what we do is an overflow of  
the rage you're pushing this way

So are U gonna move

[Bridge]

[Chorus]

Once far someone said "I got the power to move 'ya"

Yes I wanna let it go, let it go, let it go, let it go, let it go

Side, Top, East, West.

And I say, well I used to say "I got the power to  
groove'ya"

Yes I wanna let it go, let it go, let it go, let it go, let it go

Side, Top, East, West, just let me hear!

[Chorus]
