I made You promises a thousand times
I tried to hear from Heaven
But I talked the whole time
I think I made You too small
I never feared You at all, no
If You touched my face would I know You
Looked into my eyes could I behold You

What do I know of You
Who spoke me into motion
Where have I even stood
But the shore along Your ocean
Are You fire, are You fury
Are You sacred, are You beautiful
What do I know, what do I know of Holy

I guess I thought that I had figured You out
I knew all the stories and I learned to talk about
How You were mighty to save
Those were only empty words on a page
Then I caught a glimpse of who You might be
The slightest hint of You brought me down to my knees

What do I know of You
Who spoke me into motion
Where have I even stood
But the shore along Your ocean
Are You fire, are You fury
Are You sacred, are You beautiful
So what do I know, what do I know of Holy

What do I know of Holy
What do I know of wounds that will heal my shame
And a God who gave life it's name
What do I know of Holy
Of the One who the angels praise
All creation knows Your name
On earth and heaven above
What do I know of this love

What do I know of You

Who spoke me into motion
Where have I even stood
But the shore along Your ocean
Are You fire, are You fury
Are You sacred, are You beautiful
What do I know, what do I know of Holy
What do I know of Holy
What do I know of Holy
