You can laugh you can feel the fire
you can dance with a little twist
Tell your pretty red head babe
You forget that I exist
Can you see yourself in my bed at night?
Would leave me at the side of the road?
Would you walk right up to me?
Would you talk to me?

I'm already asking
I'm down on my knees
I'm already begging
Begging you please

Can you teach me how to fly? (C'mon)
See I'm scared to die (C'mon)
And we've only just begun to learn to crawl
Can you teach me how to fight? (C'mon)
Would you keep me up all night? (C'mon)
Would you be there on the ground if I should fall?
Fall for you

I can feel it like the spiders? sting
Like a memory in my mouth
I feel like the morning?s fell
Like the bottom?s fallen out
I can see what?s up there above it all
And down in the valley below
I can walk right up to you
I can talk to you

I'm already asking
I'm down on my knees
I'm already begging
Begging you please

Can you teach me how to fly? (C'mon)
See I'm scared to die (C'mon)
And we've only just begun to learn to crawl
Can you teach me how to fight? (C'mon)
Would you keep me up all night? (C'mon)

Would you be there on the ground if I should fall?
Fall for you
Fall for you

Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
(Yeah)
Na na na na na
Na na na na na

Can you teach me how to fly? (C?mon)
See I?m scared to die (C?mon)
And we?ve only just begun to learn to crawl
Can you teach me how to fight? (C?mon)
Would you keep me up all night? (C?mon)
Would you be there on the ground if I should fall?
Fall to you
Na na na na na
Na na na na na
Fall to you
Na na na na na
Na na na na na
Fall to you
